COLLECTION GUIDELINES

Collection of materials will be made by Section according to the Borough of North Plainfield Collection Map. We are limited to the amount of stops per collection; therefore, it is on a first come, first served basis. Collection of materials will be random within each section; therefore, material must be placed at curb by 7AM on the assigned collection date. It is important that all materials be out by 7AM because collection moves quickly and your Bulk/Metal waste will not be picked up if you do not have materials curbside prior. Please note that Bulk Waste pickup does not include metal. This is a separate pickup.
Any unauthorized materials left at the curb in excess of the number of items scheduled and/or do not qualify for Bulk/Metal waste pickup, must be removed by 6PM of the day collection is made. Failure to comply will be subject to the provisions of Section 14-8.5 of the Borough Code.

Somerset County holds several recycling events each year for different recyclable materials. For more information on these recycling programs, visit their website at http://www.co.somerset.nj.us/recycle or call the Somerset County Recycling Center at (732) 469-3363.
