Borough of North Plainfield, New Jersey

Municipal Building: 263 Somerset Street 07060

Dear North Plainfield Resident:

This is your final collection calendar for the year. It contains information regarding fall leaf collection and snow removal. Please read it carefully.

LEAVES – During the fall please rake leaves to the curbline prior to the start of your section pick-up. Bags are also an option. **PAPER BAGS ONLY**. ***NO PLASTIC BAGS.***

It is the goal of the Public Works Department to make two leaf collections in each section. Please get the leaves out as early as possible and certainly before the first collection day in your section for each leaf pick-up. Scheduling of leaf collection in each section was determined by the type of tree and when the volume falls.

SNOW – Remove vehicles from the street when snow begins to fall. On snow emergency streets it's the law.

When shoveling your driveway apron, **PILE SNOW TO THE LEFT SIDE (facing house)**. It will prevent the bulk of the snow you shovel from being pushed back into your driveway when the plow comes through.

Please be patient. Streets that are tended to first are snow emergency routes and heavily traveled thoroughfares. Dead ends and Cul de Sacs typically are last to be serviced.

Please read all the information contained on both sides of this flyer. Thank you for helping us serve you better.
